## **INTERNATIONAL BIOLAW and... INTERACTIONS WITH ENVIRONMENTAL, HUMAN RIGHTS AND HEALTH LAW**

Málaga Graduate School of Law  
(Aula Judicial)  
27 October 2017

### **FINAL PROGRAMME**

The Coordinating Committee of the ESIL-SEDI Interest Group on International Biolaw has the pleasure to inform you about the International Workshop **“INTERNATIONAL BIOLAW and...INTERACTIONS WITH ENVIRONMENTAL, HUMAN RIGHTS AND HEALTH LAW”** that will take place in Málaga (Spain) on 27th of October 2017, from 11:00 to 18:00. This international workshop is focused on the relationship between International Biolaw and different subjects directly connected with this field of research. ESIL-SEDI members working on related areas such as Environmental Law, Protection of Human Rights and Health Law –different aspects covered by ESIL-SEDI Interest Groups- will be welcome to take part in this initiative. This workshop has two objectives: first of all, to show the interactions between International Biolaw and different areas (in particular Environmental, Human Rights and Health Law); secondly, this event will try to contribute to build bridges between some ESIL-SEDI Interest Groups dealing with common fields of interest. We have elaborated a broad programme.
