

ESIL Interest Group 'The EU as a Global Actor'

The ICJ Advisory Opinion on Occupied Palestinian Territory and the European Union: Legal Reflections

29th September, 12:00 - 13:30 (CEST) [hybrid event]

This webinar examines the legal implications of the International Court of Justice's 2024 Advisory Opinion for the European Union. The event will focus on the [Expert Legal Opinion on the Implications for the European Union of the July 2024 International Court of Justice Advisory Opinion regarding the Policies and Practices of Israel in the Occupied Palestinian Territory](#) by Professors Gleider Hernández and Ramses A. Wessel. The discussion will explore the EU's obligations under international law in relation to occupied territories and the potential consequences for EU policy and action.

Registration is required. Please [click here to register](#).
