

## IGILTP Report for 13 September 2023 - 30 September 2024

### 1. Activities

During the reporting period, IGILTP continued to act as a forum to facilitate research into all areas, approaches and questions of a theoretical and philosophical nature with a bearing on international law. In previous years, and most recently in 2023, we organised agora panels and pre-event workshops for the ESIL Annual Conference. We are proud to have encouraged and supported colleagues to submit papers and attend ESIL 2024, the 19th ESIL Annual Conference on “Technological Changes and International Law”, 5-6 September, in Vilnius, Lithuania. IGILTP members and members of the IGILTP Co-ordinating Committee were in attendance at this year’s conference.

The IGILTP Co-ordinating Committee is delighted to have celebrated ESIL’s 20th anniversary at a special celebratory event in Vilnius, Lithuania.

### 2. Interest Group Governance

IGILTP is governed by the Co-ordinating Committee (CC), which is composed of five members. It runs IGILTP’s day-to-day business and organises its regular events, including workshops, seminars and conferences. The CC will carry no responsibility for any financial or logistical aspects of the IG’s activities; all such activities will be self-financed and self-supporting. While all major decisions are taken by the CC as a whole, the CC has elected the following officials to hold office: **Chair:** Ozlem Ulgen; **Deputy Chair:** Noora Arajarvi; **Website Administrator:** Kevin Crow. The CC has a staggered election of officials model whereby three members stand for election every two years for the positions of Chair, Deputy-Chair, and Web Administrator.

Members of the CC are elected for four-year terms by the members of IGILTP and may be re-elected. The last CC election took place on 7 May 2023 at which Panos Merkouris and Andrea Carcano were re-elected. The terms of the current CC members run as follows:

- 1 May 2021–30 April 2025: Ozlem Ulgen, Noora Arajarvi, Kevin Crow
- 1 May 2023–30 April 2027: Panos Merkouris, Andrea Carcano

### 3. Interest Group Statistics

The IGILTP membership stands at over 500 and we have a substantial following on Twitter/X.
