

INDIAN CONFERENCE ON ARTIFICIAL INTELLIGENCE AND LAW

INDOCON '21

OCTOBER 1, 2 & 3, 2021

Call for Papers and Commentaries

The Organizing Team of the Indian Conference on Artificial Intelligence & Law, 2021 opens the Call for Papers for the Track Presentations.

We accept:

- Papers (2500-10,000 words)
- Policy Analysis (5,000-10,000 words)

The themes of the papers and policy analysis should be within the following themes of AI, Law & Policy or anything related to:

- Indian Diplomacy and Artificial Intelligence
- International AI Governance
- Disruptive Artificial Intelligence & Conflict and Development Economics

The papers have to be mailed at research@isail.in by September 15, 2021 along with the Authors' contact details and ORCIDs mandatorily.

Please note: The papers presented shall be subject to scrutiny, and on the basis of the same, may be published in the Conference Proceedings, i.e., AI and Glocalization in Law, Volume 2 or the Volume 2, Issue 1 of the Indian Journal of Artificial Intelligence & Law in October 2021. We do not charge any publication fee.

The Conference Registration Fee for all Presenters is 10 USD for Overseas Professionals and Students & 500 INR for Indian Professionals and Students.
