## ABOUT THE CONFERENCE

SYMROLIC is an interdisciplinary conference which emphasizes on Law & Life Interface in the spheres of Innovation, Science, Technology, Management, Human Behaviour, Global Policy and Governance while linking the same to the SIU research clusters. The conference over the years has endowed a strong platform to discuss, collaborate and explore diverse issues in the field of research studies. It invites some of the great minds to share and discuss their ideas on contemporary research.

## THEME OF THE CONFERENCE

### **Rule of Law in Context: *Globalisation and Indian Resonances to Sustainable Development Goals***

SYMROLIC represents the point of arrival of Faculty of Law, SIU at maturity with own imprint in the world of legal research. The journey began with showcasing in-house research, building on research excellence within and as avenue for developing new ideas as well as updating research ideas with skills in 2012 as a national conference; grew into international participation by 2015. This has drawing on SIU's new impetus to thrust areas, excellence centers and innovation. SYMROLIC is in keeping with lead research trends, addressing the need for own legal reality of India to be reflecting the need for narrowing the gap between the idea and reality of a rule of society. It is hoped that such discovery and rethinking will bring the legal community closer to serious soul searching to build a stronger rule of law in India, for, a great research must affirm life. It must measure the march of rule of law behaviour of a society and hence indicate the march of civilisation.

This year Symbiosis Law School, Pune presents **11th Annual International Research Conference- Rule of Law in Context: Globalisation and Indian Resonances to Sustainable Development Goals SYMROLIC 2023**). It is an inter-disciplinary conference which emphasizes Law & Life Interface in the spheres of Innovation, Science, Technology, Human Behaviour, Global Policy and Governance. The conference over the years has endowed a strong platform to discuss, collaborate and explore diverse issues in the field of legal studies. It invites some of the great minds from within and outside India to share and discuss their ideas on contemporary research. A special feature of the conference will be the Plenary Session and Track 4 which will focus on Legal Road to Sustainable Development Goals: Global and Indian Route and EU Climate Justice Law, Governance, Management and Policy respectively. Besides this the conference along with other tracks will also have a track on European Legal Studies which is part of our ongoing projects where we welcome papers relating to European Studies in Law, Management, Humanities, Science, Trade, Economics and Climate Change. This year the conference will be focused on Sustainable Development Goals. The confluence of crises, dominated by COVID-19, climate change, and conflicts, are creating spin-off impacts on food and nutrition, health, education, the environment, and peace and security, and affecting Healthcare Development and Sustainable Development Goals (SDGs). One of the tracks will also focus on European Studies in Law, Management, Humanities, Science, Trade and Economics.
