

Invitation

In memoriam Judge Thomas Buergenthal

It is with deep sadness that the faculty, students, and staff of Georg-August-Universität Göttingen have learned of the passing of Prof. Dr. Dres. h.c. Thomas Buergenthal, the former president of the Inter-American Court of Human Rights and former judge of the International Court of Justice.

Thomas Buergenthal survived the concentration camps Auschwitz and Sachsenhausen as a child, yet he remained loyal to Göttingen, the city where he subsequently reunited with his mother, attended school, and later accepted an honorary doctorate from the Faculty of Law and honorary citizenship.

To remember Thomas Buergenthal, we invite you to a memorial event
